Interviewing Office Moving Companies? What Smart Questions Should You Be Asking?

Office-Moving Experience

How long has the office-moving company been in business and/or providing office-moving services? Is their business focus office-moving? What other services does the company provide that detract from its office-moving services?

Move Solutions, Ltd. is completely focused on office and industrial office-moving services and has been doing so for more than 35 years. All of our employees and equipment resources are dedicated to providing these services and these services alone. Move Solutions is a family-owned business; therefore, we treat you like family. We also have a series of sister firms that liquidate office furniture, provide new furniture, and used furniture; plus we can refinish or refurbish your current furniture.

Office-Moving Resources

How many W2 movers, installers, drivers, and supervisors does the company employ, and are they all dedicated to office-moving services? What kind of background checks and/or drug testing is performed as part of their hiring process?

Move Solutions, Ltd. supports more than 400 families and has the largest manpower resource dedicated to office and industrial office-moving services in the Southwest. Prior to hiring an employee, we run background checks and pre-employment drug screening. We also have the largest quantity of company-owned office-moving equipment in the industry.

Office-Moving Process, Process, Process; Nothing Good Happens Without It!

What system and technology does the company employ to take notes, prepare proposals, schedules, work orders, and communicate transparently with you and your team?

Move Solutions, Ltd. employs a proprietary technology platform called "BrassTacks" that accepts data and creates, tracks, and reports all data relative to your project. It is cyber secure, fixed and mobile, transparent, real-time; if we know it, you know it, wherever you are!

Office-Moving Insurances; ACCORD Form 25

Does the office-moving company provide the following types of insurance?

- Texas "Subscription" Workers Compensation for all of its employees
- General Liability
- Cargo/Transportation coverage
- Auto Liability

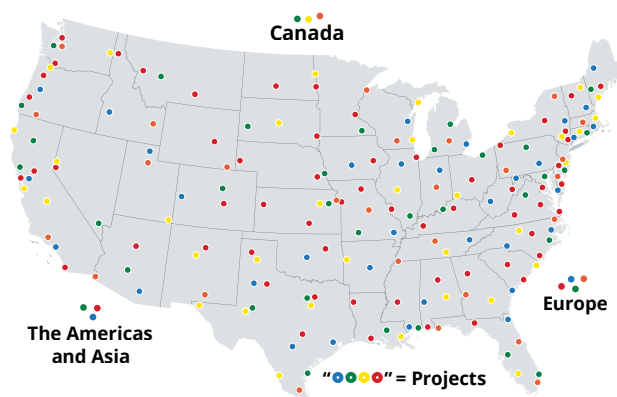

Texas "Subscription" Workers Compensation coverage provides you with the legal defenses available by Texas statute. CAUTION: Alternative workers compensation programs strip you of those defenses.

You. Move Solutions. "Anywhere"

Tech-Enabled Process

Flexible yet rigid process adherence is our Service Ethos. Anything done right gets done due to systematic process, training to that process, and managing to that process. Process Protects You!

Listening and Planning

The key to every successful office move is meeting expectations. Expectations are set at the start of our process. Detail, schedule, and communications are all necessary for a successful move.

Project Management

Personal attention to every detail is key to saving you time and money. You will have your own personal project manager by your side to help ensure success.

Property Protection

Our insured, background-checked teams will pre-walk your origin and destination spaces and buildings. We then install property protection in respect of you and your property manager. Zero damage is our normal!

Shredding and eWaste Disposal

Pre-move, in-move, and post-move purging and shredding of unneeded records, assets, and electronic assets of every kind. This includes documented destruction certification.

...of Our Process!

PC Peripheral De/Re Services

We de/re 3,500 PCs a month! Let our experienced technical staff provide knowledgeable pairs of hands while your team focuses on server transition plans.

Stack-N-Pack, No-Lift Crates

Our signature red moving crates have revolutionized office moving. They're economical, crush-proof, and secure. We also provide cardboard moving boxes in every size.

Furniture Installation

Our W2 employed, trained, very experienced Furniture Installation teams uninstall, reconfigure, and install all major furniture systems.

Moving Your Firm

The physical part of your move means that it is time to take you out of business and then put you back in business in a timely and professional manner.

Project Final Clean

Why worry about cleaning your vacated office when we can handle it for you? Our white-glove services will exceed your final lease requirements.

Liquidation/Decommission

You have moved into a new space. Your old property manager wants his space back the way he gave it to you. We do that for you; lease-compliant, easy.

Like What You See? Let's Get Started.

#1

Contact Us to Get Started!

1-800-MOVEPLAN (1-800-668-7526), sales@tospartners.com
or use www.movesolutions.com "Need a Quote or Coach?"

Contact us, and an experienced Account Manager will explain our family of services, what services are necessary for your needs, and how we can help you with your transition needs by either an on-site visit, phone call, or Zoom call.

Our entire evaluation and proposal service is timely, accurate, and at no cost to you.

#2

Meet and Greet

Meet your team lead by phone, in person, or via Zoom.

Your Account Manager will meet with you by on-site visit, phone call or Zoom call to determine the scope of your move and needs and, if possible, conduct a walkthrough of the space. At that time, we will create a MovePlan and project proposal that fits all of your relocation requirements. Move Solutions takes full advantage of available technology like iPads, in-house designed software, and planned-out, time-efficient meetings to make your pre-move process super efficient. Our Tech-Enabled "BrassTacks" CRM in-house proprietary software system and estimation tools are top-notch, enabling us to focus on your personalized moving needs.

#3

Schedule Your Move and Pack/Prep Meetings

We plan your move via our Tech-Enabled "BrassTacks" office moving CRM.

A Project Manager will work closely with your team to ensure your entire staff is fully prepared and ready for move day. Your Move Solutions Account Manager will either schedule a physical pack meeting with you and your team or will provide you with a Remote Access Animated Video Pack Meeting for your team distribution; it's your choice! During the pack meeting, we will explain how to best to pack their personal work belongings. Regardless of how complex or simple your move may seem, we will help you prepare and support you every step of the way.

#4

Purging and e-Waste Disposal

What Do I Do With My Useless STUFF?

Move Solutions provides security bins for your confidential document purging, normal bins for simple document trash, and fully certified removal, proof of destruction, and eDisposal of all electronics that fit the list of "time to go!"

Working with your team, Move Solutions can provide a purging and eWaste collection and disposal process, which will ensure that you don't pay to move anything unnecessary and that all of your eWaste goes to the RIGHT disposal, repurpose, or reclamation resource.

Working for You and with You!

#5

Furniture Solutions

Furniture Installation Professionals

Our W2 employed, trained, very experienced Furniture Installation teams uninstall, reconfigure, and install all major furniture systems.

Great people, great experience, tools, and process equal great results. Skilled installation teams are 100% covered by Texas “Subscription” Workers Compensation.

We maintain tidy, clean work areas. Your safety and our safety are important to both of us.

#6

It's Your Move Night

Who's Your Best Friend?

Move Solutions is your best friend on move night. We do all the heavy lifting; all you need to do is sit back and relax. Our experienced, professional team of movers and installers will arrive on time and ready to work. And because our crews have been carefully and thoroughly screened before they step on your property, you can rest assured that your business is in good hands. Let our highly knowledgeable office-moving and installation crews take care of your office-moving needs today!

#7

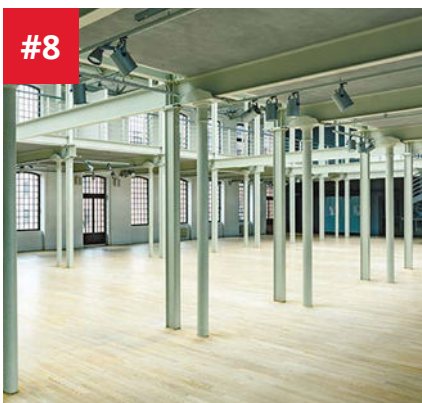

Lease-Compliant, Post-Move Final Clean

Let Us Be Your Janitor!

Why worry about cleaning your vacated office when we can handle it for you? Our white-glove services will exceed your final lease requirements.

Your landlord gave you an attractive, clean new space when you moved in. Now that same landlord wants an attractive, clean space when you move out—sans normal wear and tear. We can do that for you, including plenum clearance of low voltage and electrical and drywall and other repairs, adhering to your departure lease agreement with that landlord.

#8

Liquidation/Decommission

My Landlord Wants a Post Move-out Walk-Through. Am I Scared?

In addition to our Final Clean service, we are also an “Industry Best” furniture and asset liquidator. We can evaluate your used furniture and other assets for value and for cost of removal and disposition. We provide this service in a community-responsible, sustainable manner that provides you the maximum value available.
