More Than Just Secure Storage...

"Anywhere"® Custom Inventory Management Tools & Services

Our inventory management software enables us to capture images and details for your assets, including component parts. We provide a full accounting of items stored and their specific location, and our team can pull anything required on demand.

"Anywhere"® Fully-Insured Limits of Liability Coverage

We provide insurance industry Class A desired limits of liability for all client-owned assets stored in our facilities. These limits of liability provide the peace of mind that we all need when extending trust to others regarding the care of their assets.

"Anywhere"® Asset Transportation and Delivery

We maintain an extensive vehicle fleet, ranging from passenger vans to tractor-trailers, to meet your transportation and delivery needs. Our professional team of trained drivers is always ready to move personnel or equipment on cue.

"Anywhere"® Climate Controlled Storage

We can protect your assets in temperature and humidity-controlled facilities, including palletized goods and raw storage, as well as electronics, books, fine art, and other materials requiring special care. We do not store hazardous materials.

"Anywhere"® In-House Repair and Protection Team

Our professionals palletize, stretch wrap, and protect your assets with undivided attention. Our technicians can also provide cleaning, touch-ups, or repairs if needed, so that your assets come out of storage looking fresh and ready for use.

The Total Office Solutions (TOS) Family of Companies provides the services and products needed by a commercial tenant planning a relocation project. From workplace planning, furnishing, technology, and moving to facility decommissioning, warehousing, and inventory management, Total Office Solutions is a perfect partner resource. Our local and national clients use our complete flexibility to their advantage!
