Dallas, TX 75201

Dear Michael,

I would like to compliment you on your latest commitment to Dallas BOMA and the City of Dallas. On November 6th 2010, the Dallas BOMA Community Service Committee, in conjunction with the City of Dallas People Helping People Program, held our semi-annual Adopt-A-Block program. Your local representative, Tom Sabb, stepped up to help with the project and made a huge impact. Tom delivered the supplies to the work site on time and in a professional manner and topped it off by bringing coffee and hot chocolate to the volunteers. I can't thank Tom and your company enough for taking the time and effort to help our program get these elderly homeowners their need repairs. We look forward to your assistance on future projects.

Sincerely,

George Smith

Dallas BOMA Member
