Dear Michael,

Thank you for your support of Dallas Children's Advocacy Center and our 8th annual Aim for Advocacy event through your generous \$10,000 Welcome Sponsorship. Your gift directly contributes to DCAC's work to provide justice and healing to victims of child abuse and their families.

DCAC coordinates the investigation of criminal child abuse cases with a comprehensive, collaborative approach that results in more successful investigation and prosecution outcomes.

To help our clients find hope and healing, DCAC provides family assistance and evidence-based therapy health services to heal from trauma and lead lives free from the pain of abuse. In addition, DCAC coordinates with 32 partner organizations to ensure medical, legal and law enforcement professionals working these complex cases are best able to seek justice for the children and families we serve. Last year we served over 7,300 children and their non-offending family members.

Additionally, your in-kind donation of moving services proved to be invaluable and ensured we were able to set up and tear down our event in a seamless, organized and professional manner. Thank you for going above and beyond and assisting us in this capacity. We simply could not have done it without the help of your team. Our staff cannot say enough good things about the two crews we worked with - Randy on Tuesday and Don on Wednesday. They were professional, organized, efficient and courteous to all.

Thank you for partnering with us and doing your part to stand up for the children of Dallas County.

Together, we can change lives.

Sincerely,
